## WE HAVE A HOUSE!

For the revelation awaits an appointed time; it speaks of the end and will not prove false.

**Though it linger, wait for it; it will certainly come and will not delay.**

Habakkuk 2:3

YES, we do! God is so good! We have been faithful in waiting, God gave us a HOUSE! His word is true!

Our NEW house is called the Freedom Resting Place and it is in Nicholasville Ky. The 2400 sq. foot house has 1.89 acres and allows us to do so much more! So, stay tuned! It does need some renovation because it has not been lived in for over 10 years, but it is exactly what God wanted. Let me share that for the last three years, I would drive by that property and tell God, I want that property! Never give up on your dreams! God heard my request! We have included pictures at the end of this newsletter!

It will allow us to house up to 10-12 women for a long-term program of 6 months. We can take women who are abused, addicted to substances and those in Sex exploitation.

Our heart is to help them live a life of freedom. Our program is about identity, recovery, and freedom.

One of the things we have seen in the last 11 months of waiting, has been the lack of discipleship and mentorship once they leave a long-term program.

Once they leave our program, our mission is mentorship to ensure self-care and connect them with Christian people, churches in their areas who will help them grow in their walk in Christ and continue to walk in freedom. We want to help them find life groups and study groups that will not only aid the recovery but to aid their walk with Jesus.

Our program is not government funded so we are self-pay and donation based. It costs approximately \$600.00 per month per woman to run the house with housing, utilities, insurance, food, clothing,

transport to appointments, meetings and church, van costs and program materials.

We are so appreciative of the partners who have stayed the course and believed in our mission of not only changing lives but bringing total freedom! So, do you want to help us be a part of life changing ministry?
