GOD IS SO FAITHFUL!

Come and see what our God has done, what awesome miracles he performs for his people! Psalm 66:5 NLT

Wow! This is such an amazing time for this ministry!

Our Safe House is called the Freedom Resting Place and it is in Nicholasville Ky. The 2400 sq. foot house has 1.89 acres and has 8-10 beds available. We serve women enthralled in abuse, addiction, human trafficking and sexual exploitation from Kentucky and surrounding states. It is about healing and helping them to see their life healed, changed and walk in freedom. We mentor and disciple them to discover their own identity not dependent on their past.

Graduation scheduled for June!

Since we opened the end of November, we have served 8 women in our house! Our first resident is scheduled for graduation the first part of June!

Follow us on Facebook for details!

Our commitment to not only help women become free from addiction but to also dig deep into helping them become free from their past affecting their addiction such as trauma, abuse and sexual exploitation. It is a process of healing and freedom. Our Program is 6-12 months with 12 months of aftercare.

UPCOMING EVENTS

Long Term Plans

Restored Life Community Group and Counseling Center

Over the next year, our goal is to open a community group and counseling center for women and children in the community. We will be renovating this building. Please be in prayer for funding for this endeavor as well.

Welcome our House Mom

Laura Jeanne!

We love how God establishes our steps. We are excited to announce our house mom, Laura Jeanne to our ministry. She is a Woman of God, who moved here from St. Louis and God brought us together. She has walked in freedom from abuse and trauma for 11 years and brings non-profit work experience in reaching the lost, battered, and bruised lives of women. Her heart is to serve others and God.

SOCIAL BUSINESS ENTERPRISES ARE OPENED!

You are probably asking what is social enterprises? One of the hardest parts of helping women transition back into the community are jobs. We believe as women move into job training and job skills, they need extra support. We are creating several social enterprises (Businesses) where we will train, help them create and learn money management, customer service skills and job training! Our social Enterprise is called Restored Enterprises!

A Note from Our Executive Director

WOW! What a difference in just 8 months since we opened! I am humbled and grateful to God for His leading in this ministry. Lives being restored and transformed because of His Love for them! These women come from all walks of life... abuse, homelessness, addiction, human trafficking and trauma. How can we not be the hands and feet to help them heal and walk in freedom?

I am grateful to our faithful friends and prayer partners who saw the vision and help us each and every day. We are forever grateful for God's guiding hands as we move into the future!

I am reminded of my life verse: Jeremiah 29:11 - For I know the plans I have for you says the Lord, not to harm you but to give you a hope and a future.

Yes, these women have hope and a future because of His unfailing love for them.

I hope you will be a part of this ministry that embarks on identity, forgiveness and healing to their fragile state so they can walk into freedom!

You are loved, and we are thankful for all of you and we are thankful to walk this journey with these amazing women and see the transformation in them!

Jeanie Lemaster, Executive Director
